FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060-0182]

Information Collection Being Reviewed by the Federal Communications Commission Under Delegated Authority

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501-3520), the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written PRA comments should be submitted on or before **[INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email to PRA@fcc.gov and to Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

An application for license must be filed within 10 days of this notification. 47 CFR 73.1620(a)(2) requires a permittee of an AM or FM station with a directional antenna to file a request for program test authority 10 days prior to date on which it desires to begin program tests. This is filed in conjunction with an application for license. 47 CFR 73.1620(a)(3) requires a licensee of an FM station replacing a directional antenna without changes to file a

modification of the license application within 10 days after commencing operations with the replacement antenna. 47 CFR 73.1620(a)(4) requires a permittee of an AM station with a directional antenna to file a request for program test authority 10 days prior to the date on which it desires to begin program test. 47 CFR 73.1620(a)(5) requires that, except for permits subject to successive license terms, a permittee of an LPFM station may begin program tests upon notification to the FCC in Washington, DC provided that within 10 days thereafter an application for license is filed. Program tests may be conducted by a licensee subject to mandatory license terms only during the term specified on such license authorization. 47 CFR 73.1620(b) allows the FCC to right to revoke, suspend, or modify program tests by any station without right of hearing for failure to comply adequately with all terms of the construction permit or the provision of 47 CFR 73.1690(c) for a modification of license application, or in order to resolve instances of interference. The FCC may also require the filing of a construction permit application to bring the station into compliance with the Commission's rules and policies. 47 CFR 73.1620(f) requires licensees of UHF TV stations, assigned to the same allocated channel which a 1000 watt UHF translator station is authorized to use, to notify the licensee of the translator station at least 10 days prior to commencing or resuming operation and certify to the FCC that such advance notice has been given. 47 CFR 73.1620(g) requires permittees to report any deviations from their promises, if any, in their application for license to cover their construction permit (FCC Form 302) and on the first anniversary of their commencement of program tests.
